

TEMPLATE A3: LIST OF COMMUNICATION ACTIVITIES

No.	Type of activities[1]	Main leader	Title	Date/Period	Place	Type of audience[2]	Size of audience	Countries addressed
1	Paris Air Show - Round Table	Airbus	Clean Sky round table on green systems where the airframer presented the R&T perspective on the more electrical aircraft	2011	Paris (france)	Scientific community, Industry/ policy makers	100	European
2	Clean Sky Newsletter	Cranfield	Focus on Cranfield University – An academic perspective	2011	Bruxelles (Belgium)	Scientific community, Industry/ policy makers	thousand	International
3	Movie	Thales	Presentation of MCDP concept in Thales boot	2011	Paris (france)	Scientific community, Industry/ policy makers	thousand	International
4	Exhibition event	SELEX GALILEO	Decision support system for onboard trajectory optimization against aircraft emissions and noise	2011	Turin (Italy)	Scientific community, Industry/ policy makers	hundred	International
5	Web site	EADS-IW	Optimal trajectory generation framework for in-flight applications	2012		Scientific community, Industry/ policy makers	thousand	International
6	Web site	(GSAF) NLR & TU-DELFT	"NLR, the national aerospace laboratory of the Netherlands, is using PSOPT as a key tool in the computation of optimised aircraft continuous descent trajectories, aiming to reduce fuel consumption, emissions and noise, as part of their involvement in the (partly EU-funded) Clean Sky project."	2012	Delft (NL)	Scientific community, Industry/ policy makers	thousand	International
7	Thales Web Site	Thales Av.	Clean sky perspective by the Executive Director	2012		Scientific community, Industry/ policy makers	thousand	International
8	Thales public video blog - Movie	Thales Av.	AIGS function introduction and Airlab simulator	2012		Scientific community, Industry/ policy makers	thousand	International
9	Article on Skyline magazine	Thales / Liebherr / Airbus	Skyline article more electrical A/C	2012	Bruxelles (Belgium)	Scientific community, Industry/ policy makers	thousand	International
10	Power Point Presentation	Thales Av.	Power point summarizing SGO content and results	2013	Paris (france)	Scientific community, Industry/ policy makers	thousand	International

11	Article on Skyline magazine	Thales Av.	In 'Systems for Green Operations' ITD, one Flight Management function ready for take-off	2014	Bruxelles (Belgium)	Scientific community, Industry/ policy makers	thousand	International
12	Article on Skyline magazine	LABINAL POWER SYSTEMS	Presentation of the ETB and the COPPER BIRD®	2014	Bruxelles (Belgium)	Scientific community, Industry/ policy makers	thousand	International
13	News on Web site	LABINAL POWER SYSTEMS	Validation of the ETB	2014		Scientific community, Industry/ policy makers	thousand	International
14	Hardware exposition	AERONAMIC B.V.	Hardware exposition of Starter-generator at Farnborough International Airshow	2014	Farnborough (GB)	Scientific community, Industry/ policy makers	thousand	International
15	Hardware exposition	Zodiac	Primary inflight Icing Detection System	2014	Farnborough (GB)	Scientific community, Industry/ policy makers	thousand	International
16	Hardware exposition	GKN	Scoop air intake	2014	Farnborough (GB)	Scientific community, Industry/ policy makers	thousand	International
17	Clean Sky News	LIEBHERR,AIRBUS,DLR	SGO ITD successfully tested a Liquid Skin Heat Exchanger subsystem in flight	2014	Bruxelles (Belgium)	Scientific community, Industry/ policy makers	thousand	International
18	Article on Skyline magazine	Zodiac Aerospace	Innovative solution for more electrical aircraft	2015	Bruxelles (Belgium)	Scientific community, Industry/ policy makers	thousand	International
19	Web site	GSAF, Aeronamic	Hardware exposition of Starter-Generator Unit	2015		Scientific community, Industry/ policy makers	thousand	International
20	Paris Air Show - Hardware exposition	AGI (EADS-IW)	Electric Primary Flight Controls Research - Helicopter Electromechanical Actuation System (HEMAS)	2015	Paris (France)	Scientific community, Industry/ policy makers	thousand	International
21	Paris Air Show - Hardware exposition	Liebherr-Aerospace	Hardware exposition of HEMAS Actuator	2015	Paris (France)	Scientific community, Industry/ policy makers	thousand	International
22	Paris Air Show - Hardware exposition	GSAF, Aeronamic	Hardware exposition of Starter-Generator Unit	2015	Paris (France)	Scientific community, Industry/ policy makers	thousand	International
23	Aerodays	Liebherr-Aerospace Lindenber	Hardware exposition of HEMAS Actuator	2015	London (GB)	Scientific community, Industry/ policy makers	hundred	International

24	Aerodays	Thales	Systems demonstrations in Clean sky and Clean sky2	2015	London (GB)	Scientific community, Industry/ policy makers	hundred	International
25	Hardware exposition	University of Nottingham	SOG Motor Mock Up Presentation	2016	Farnborough (GB)	Scientific community, Industry/ policy makers	thousand	International
26	Air Show	Sebastian Ziehm	Hardware exposition of HEMAS Actuator	Paris Air Show 2015	Paris (france)	Scientific community, Industry	>100	International
